Chamber Chatter

By IRENE GROVE

Big news for your Chamber of Commerce — We are proud to introduce you to your new officers for the coming year.

President is Tom Gabriele. Everyone knows Tom; his successful operation of the Lexicon Store, where you can purchase those beautiful lines of maple furniture and electrical appliances; for his lovely wife, Edyth; for his hobby of coin collection; and for his civic leadership in our city. Tom has been Vice President of the Albany Chamber, is Past President of the Albany Macabees, a member of Albany Rotary Club, and now is Chief Pilot for your Chamber of Commerce for the coming year.

Vice President representing Solano Avenue is John Pleich Jr., of Flowerland Nursery. Johnny is a newly elected member of the board of directors, but is a past president of the organization. He is President of the Solano Avenue Merchants, a member of Albany Exchange Club, and was named Albany's Man of the Year by Radio Station KJBS in 1958. He is one of the outstanding nurserymen in Northern California and received special recognition at the recent California Garden and Home Show.

Vice President representing San Pablo Avenue is Jack Labadie, owner of East Bay Chevrolet. Jack is an active member of the Albany Rotary Club and has been a member of the Albany Chamber Board of Directors for the past year. Jack's interest in the city is evidenced by the expansion and remodeling of his automobile agency that is in process at the present time.

Treasurer is Marge Bishop. Marge is owner of Berkeley Duplication and Berkeley Business Service (It's the Berkeley Business Service which answers the Chamber phone when the manager is out). She is President of the Albany Soroptimist Club, Past President of the Solano Avenue Merchants Association, and a member of Mail Advertising Service Association.

We'll introduce you to the third Vice President next month.

These are the leaders elected by the Albany Chamber of Commerce for the next year — a year of growth and progress!

Don't forget these dates — Thursday, May 18, Albany Chamber Membership Luncheon; City Administrator Jim Turner will explain legislative issues that affect our city — Friday, June 9, Albany Chamber of Commerce

ALBANY HONORED BY SAFETY GROUPS

Albany's police and fire departments have been honored by national awards for safety, according to notices read before the city council at its meeting this week. The Police Department has been given the "Walker Award" for a record of pedestrian safety during the last year, while the Fire Department won the fire safety award from the National Chamber of Commerce, the only city in its class in the state to win this award. It was Albany's eighth consecutive win. The announcement was made to the council by Councilman and Vice-Mayor George Hein, who also serves as Fire and Police Commissioner.

A resolution of approval was passed unanimously and copies ordered sent to Chief of Police Jensen and Fire Chief Browne.

In other action the council heard talks by representatives of the Southern Pacific, the Santa Fe, and the Western Pacific on the proposed merger of the Western Pacific with either the S.P. or the Santa Fe. Each of the three roads is asking Albany endorsement of its proposal. The matter was ordered held over for further study.

The council also discussed

briefly the matter of again holding the popular "Clean-up Week" plan. This was referred to Administrator James Turner for investigation and a report. Growth of the volume of debris collected each year has become so great that the budget allowance for this activity falls far below the amount needed.

Division of Highways report that the City of Albany portion of Gas Tax revenues from July 1, 1960 to June 30, 1961 will amount to \$52,567.95 was referred to Administrator Turner.

A report of Engineer Theodore V. Tronoff enclosing a copy of Hersey Testing & Controls final report on the safety from slides in the hill area, where utilities and street work have recently been installed, was received. The report declared the work done had made the area "perfectly safe" from slides.

The council also took action praising the "Villager", a mimeographed community paper issued in University Village, for its fine editorial and its praise of Albany departments for cooperation in maintaining the Village in its fine condition.

The Albany Chamber of Com-

merce was also congratulated on its newly elected president and three vice-presidents, and the chamber's fine cooperation with the city government.

Tonight the mayor and members of the council will attend a joint meeting in El Cerrito, at which time representatives of the Bay Area Rapid Transit District will endeavor to overcome the strong opposition in this area to the proposed plans and routing of the Rapid Transit through Albany, El Cerrito, Richmond and Berkeley. The meeting will be held in the court chambers of the El Cerrito Public Safety Building at Manila and San Pablo.

Administrator Turner read a report recommending support of Assembly Bill No. 2560 which would authorize forming of a nine-county planning and zoning commission in this area. He also reported that the Berkeley Traffic School no longer would be supported by Albany and Berkeley, but would be supported by traffic violators ordered to attend by the courts.

Turner also reported on Senate Bill No. 1534, which has replaced SB No. 499, authorizing formation of a "Golden Gate Authority". Turner recommended opposition to this bill which would take much of the control of bridges, etc. out of the hands of the cities and would release disposition of bridge tolls to various other matters after the bridge bonds existing have been retired. The council voted to oppose this bill.

Catalog For S&H Green Stamps Now Available

Distribution in the Albany area of the new S&H Green Stamp catalog, reported to be the most widely-circulated business catalog of the year, has been announced by W. F. Sea, sales representative in this area for Sperry and Hutchinson Co.

The initial printing order was for 25 million copies of the catalog which has a book-bind and cover and contains most of the S&H line of 1,700 articles of merchandise available to S&H Stamp savers.

The catalog will be distributed in the Albany area to customers of businesses which offer S&H Green Stamps and will be available at all businesses.

It also will be available at the Albany Redemption Center service.

ing this area and located at 1111 University Avenue, Berkeley.

Sea noted that the merchandise is illustrated in color in the 132-page catalog and that almost half of the merchandise is newly added to the line. He also pointed out that about 15 million pounds of paper were used to print the nationally distributed catalogs, which, if stacked on top of one another, would stand more than 80 miles high.

Sea also stated that S&H Green Stamps are now distributed by 90,000 retail stores throughout the nation and that half of all the families in America save them. This accounts for the fact that S&H issues more stamps than the U. S. Post Office, Sea said.

Kensington 'Kandoo' Being Planned For September 15th

All summer long, Kensington residents will be ransacking attics and store rooms in search of the dress "Great Grandmother wore to Aunt Minnie's wedding" — or any other bits of Victoriana they can find — for the Kensington Kandoo, which will be held on the evening of September 15. The Kandoo will kick off the Kensington Community Council annual fund campaign. Arlington Avenue in Kensington will become the "Main Street" of a 19th Century American town, when a parade of bands, marching units, and floats will lead the way to the Youth Hut, where the Kensington Theatre Guild will present an old fashioned melodrama.

A goal of \$6200 has been set for the fund campaign. The planning committee has adopted a campaign slogan with a Mid-Victorian lilt: "Kensington Kandoo 62 Hundred for '62." Funds collected from the community each September help defray costs of the Kensington summer recreation program, Teen-Age Drop Ins, sixth grade social dancing, the Kensington children's band, the Great Books program, the Arlington Outlook, and other year around recreation programs for children and adults.

The fund campaign committee named by the Kensington Community Council includes Mrs. N. K. Freeman, chairman; Mrs. Barbara Doyle, Mrs. Edwin Laplace, Ted Osmundson and Charles Hammond, all members of the Community Council board of directors. Other appointments are Mrs. William Salsig, program chairman, Mrs. Marvin Martin, Outlook publicity, and Mrs. William Butler, newspaper publicity.

Mrs. Salsig, with the assistance of Mrs. Jack Gunn and Mrs. Robert Scolnik, is now sending information concerning the parade to all Kensington organizations. Entry blanks for parade participation may be obtained from Mrs. Salsig, 10 Highland Blvd.

Auto Distress Signal Ready for CSAA Members

A distress signal designed to bring help to motorists in need of emergency road service has been made available to members of the California State Automobile Association.

The signal — three large A's of reflective silver on a red background — can easily be installed on a car aerial or vent window to attract the attention of passing motorists both day and night. Purpose of the flag-like signal is to draw attention to cars of Association members that break down in areas where telephones are unavailable, such as on freeways or isolated roads.

The CSAA advises passing members who see the signal on a disabled car to contact a traffic officer or refer to an Emergency Road Service directory and notify the nearest listed AAA ERS station, furnishing as much information as possible on the stalled car and its location.

The Association is hopeful that by voluntary cooperation between members, the new AAA distress signal will expedite emergency road service to those in need of help.

JANE JOHNSON, daughter of Mr. and Mrs. Walter F. Johnson, 1222 Washington, Albany, has been accepted by the Board of Admissions of Armstrong College in Berkeley.

She will be enrolled in the Private Secretarial program at the start of the summer quarter in July. She will be graduated from Albany High School in the class of 1961.
